Stream Protection Rule – Environmental Impact Statement
Scoping Open House Procedures

- **The purpose of this Open House is to provide information regarding the principal elements of the proposed action and the possible alternatives under consideration for the Stream Protection Rule.**
- **You are invited to provide your comments regarding the scope of this Environmental Impact Statement.**
- **There will not be a formal presentation or response to commentary at this Open House.**
- **Everyone is encouraged to review the posters and other materials and to provide their written or oral comments.**
- **Because we must adhere to room capacity restrictions, it may be necessary to limit the number of people entering at any one time. We will endeavor to accommodate as many people as possible.**
- **There is a zero tolerance policy for unruly behavior of any kind. Disruptions of any kind or harassment of other attendees, public officials, or staff will result in removal from the Open House property. Excessively unruly behavior will force us to end this Open House immediately.**
